CRITERIA FOR CCD MEMBERSHIP

The Consortium for Citizens with Disabilities is a working coalition of consumer, advocacy, provider and professional organizations that advocate on behalf of children and adults with physical and mental disabilities and their families. Since 1973, the CCD has advocated for federal legislation and regulations to assure that 54 million people with disabilities are fully integrated into the mainstream of our nation's life. Over 100 national organizations now actively participate in the Consortium.

Following are criteria for membership in CCD:

1. Only national non-profit organizations are eligible for membership. Since CCD focuses on federal issues, CCD member organizations’ work within CCD must be national in scope with a Washington DC presence. The member will have full Task Force voting rights. The member organization must still meet all CCD Membership Full Status criteria without having ever participated in CCD before filing for this membership status. **Membership dues for the 1-Year Introductory Membership Status are:** $200.00.
